EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Kim-Marie Vo on September 19, 2005.

2. The application has been amended as follows:

In the Claims:

In Claim 1, line 5, change "depositing a plurality of pre-formed discrete elements over the first floating gate" to -- depositing a plurality of pre-formed discrete elements **in contact with** the first floating gate--.

Allowable Subject Matter

3. Claims 1-4, 8-26 and 39-42 are allowed over prior art of record.

Reasons for Allowance

4. The following is an examiner's statement of reasons for allowance:

After consideration of Applicants' argument filed on July 1, 2005 (see Pages 7-11) and further search, it is determined that the prior art of record neither anticipates nor renders obvious the claimed subject matter of the instant application as a whole either taken alone or in combination, in particular, prior art of record does not teach "depositing a plurality of pre-formed discrete elements in contact with the first floating gate," as recited in claim 1, and "wherein the

plurality of discrete elements are in contact with the first floating gate,” as recited in claim 17 respectively.

Claims 3, 4, 8-16, 18-26 and 39 are also allowed as being directly or indirectly dependent of the allowed independent base claim.

Claims 40-42 also allowed because the claims are incorporated the allowable subject matter that indicated in Paragraphs 12-14 of prior Office action of April 20, 2005.

Conclusion

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
